spielBox Promo

There are 2 variants on how to use this promo.

Variant 1

Add the Spielbox promo tiles in the bag before game set up and mix it with other water tiles.

Variant 2

At the beginning of the setup each player draws one promo tile. Return the leftover promo tiles in the game box. Each player places the promo tile above their player board. It will be the mid of the line of the tiles. Then each player draws 16 water tiles from the bag and places 8 tiles on the left from the promo tile and 8 on the right.

For each variant the game works according to standard rules
just promo tiles have both kinds symbols on each side.
